

Pasta with Basil-Garlic Sauce

Cook pasta in 8 cups boiling, salted water until tender, 7-9 minutes. Pour seasoning mix into a small bowl. Crush between fingers to release flavors. Stir in: **¼ cup water** and **1 tablespoon olive oil**. Drain pasta. Heat **1½ cups water** and the seasoning mixture to boiling over medium heat, stirring constantly, until slightly thickened, about 2-3 minutes. Stir in drained pasta and heat through, stirring occasionally. Makes 4 cups.
